

FIFTEEN MONTHS

Name _____ Date _____

Weight _____ Length _____ Head Circumference _____

Immunizations: (note: your child's doctor may modify the immunization schedule at times)

1. Diphtheria/Tetanus/Pertussis (DTaP) - protects against diphtheria, tetanus, pertussis (whooping cough)
2. Haemophilus influenza B (HIB) – protects against a bacteria that causes meningitis, blood, and throat infections

Feeding:

Now that your child is no longer receiving iron through breast milk or formula, we recommend a daily multivitamin with iron, for example Poly-Vi-Sol with iron or half of a crushed chewable multivitamin with iron.

Office Hours and Telephone Coverage: We are available 24 hours a day, 365 days a year!

- Monday-Friday: 8:30am-5:30 pm (later as needed to accommodate urgent visits)
- Saturdays and Holidays: 9am-12pm (later as needed to accommodate urgent visits) – Urgent visits only
- Sundays: Mornings (office times vary); Call starting at 8am – Urgent visits only
- After regular business hours: After hour calls are answered by well-trained pediatric nurses who follow protocols approved by Longwood Pediatrics. Please restrict calls to urgent medical issues only.

Please ALWAYS call us before going to any emergency room.

Appointment Scheduling:

- Well Visit/Checkups: Our schedules are open one year in advance for routine well visit appointments. **Schedule your next well visit today!**
- Sick Visits: It is best to call the office early in the day to schedule an appointment. You can make an appointment by pressing option 2 for the receptionist. If you are not sure that your child needs to be seen, you may leave a message for our nursing staff and a nurse will call you back within an hour.

Communication:

Did you know that you can contact Longwood Pediatrics by email to request non-urgent appointments, medication refills, immunization records, and communicate with your child's provider? Sign up at the front desk today!
