

**TWO WEEKS**

Name \_\_\_\_\_ Date \_\_\_\_\_

Weight \_\_\_\_\_ Length \_\_\_\_\_ Head Circumference \_\_\_\_\_

**Immunizations:** (note: your child's doctor may modify the immunization schedule at times)

1. Hepatitis B—protects against hepatitis B virus (if not already given in hospital)

**Feeding:**

- Your baby should be fed nothing but breast milk or infant formula fortified with iron at this age
- Primarily breastfed babies should receive daily vitamin D drops, 400 IU once a day
- Formula fed babies do not need this as formula is supplemented with the necessary vitamin

**Office Hours and Telephone Coverage: We are available 24 hours a day, 365 days a year!**

- Monday-Friday: 8:30am-5:30 pm (later as needed to accommodate urgent visits)
- Saturdays and Holidays: 9am-12pm (later as needed to accommodate urgent visits) – Urgent visits only
- Sundays: Mornings (office times vary); Call starting at 8am – Urgent visits only
- After regular business hours: After hour calls are answered by well-trained pediatric nurses who follow protocols approved by Longwood Pediatrics. Please restrict calls to urgent medical issues only.

**Please ALWAYS call us before going to any emergency room.**

**Appointment Scheduling:**

- Well Visit/Checkups: Our schedules are open one year in advance for routine well visit appointments. **Schedule your next well visit today!**
- Sick Visits: It is best to call the office early in the day to schedule an appointment. You can make an appointment by pressing option 2 for the receptionist. If you are not sure that your child needs to be seen, you may leave a message for our nursing staff and a nurse will call you back within an hour.

**Communication:**

Did you know that you can contact Longwood Pediatrics by email to request non-urgent appointments, medication refills, immunization records, and communicate with your child's provider? Sign up at the front desk today!

**Next Visit:**

Your next routine visit will be when the baby is two months old. At that time she will receive the following immunizations: Diphtheria/Tetanus/Pertussis (DTaP), Polio (IPV), Haemophilus influenza B (HIB), Hepatitis B, Pneumococcal Conjugate, and Rotavirus. Please read the vaccine handouts given at today's visit prior to the two-month checkup.
